ACS Playground Adventures Recognized as 2008 Rookie of the Year

Oklahoma firm's accomplishments honored at annual sales meeting

Delano, Minn. (Feb. 27, 2009) – Landscape Structures Inc., a Delano, Minn.-based playground manufacturer, has named ACS Playground Adventures, of Oklahoma City, Okla., 2008 Rookie of the Year. The award was presented to the ACS Playground Adventures team during Landscape Structures' annual sales meeting in Minneapolis, Minn.

ACS Playground Adventures joined Landscape Structures in November 2007 as the exclusive representative in Oklahoma, and hit the ground running. "ACS executed a launch plan to Oklahoma customers," explained Grant DesRoches, Landscape Structures business development manager, "that enabled them to satisfy many customers across all markets." While they worked hard selling the complete line of Landscape Structures products, Sales Representatives Clint Pitzer and Bryan Montgomery found time to work with youth groups through their church, as well as troubled teens through Bryan's mission, Camp David.

ACS Playground Adventures, like all of Landscape Structures' partners, is committed to providing high-quality play equipment and service to communities throughout Oklahoma.
