Carolina Parks & Play Joins Landscape Structures Consultant Network

Organization will provide local service throughout North Carolina

Delano, Minn. (May 11, 2010) – Landscape Structures Inc., a Delano, Minn.-based commercial playground manufacturer, is excited to announce its newest playground consultant, Carolina Parks & Play, LLC. This new partnerships brings new local representation of Landscape Structures playground equipment to North Carolina.

Carolina Parks & Play is a family-owned business based in Cary, N.C. Curt, Suzie, Todd and Ryan McDuffee offer a great deal of business and sales experience from 17 years in the custom home building industry. The McDuffees have a reputation of exceeding customer expectations, share Landscape Structures’ passion for enhancing the lives of children and are excited to begin working with customers on their next playground or skatepark project.

“By bringing new representation to North Carolina, we will be able to provide high-quality service along with high-quality products to our customers,” explained Pat Faust, president of Landscape Structures. “Carolina Parks & Play shares our passion of creating healthy kids and a sustainable world. The company is a perfect fit for Landscape Structures, and we look forward to partnering with them.”

Since 1971, Landscape Structures Inc. has been the leading commercial playground equipment manufacturer in the world. Our employee-owned company is committed to making the world a better place with active children thriving in leading communities year after year, generation after generation. We encourage outdoor play that develops healthy children and communities by creating innovative products

that are environmentally responsible. Our mission from day one has been to enhance children's lives by fostering and creating inspiring play experiences while honoring the environment. To find local representation in any territory, visit playlsi.com.
