***Landscape Structures Names Rep Services Inc. Representative of the Year***

**Minneapolis, January 14, 2005** - Landscape Structures Inc., the nation's premier manufacturer of commercial playground and skatepark equipment, has named Rep Services, Inc., of Longwood, Florida, its 2004 Rep Firm of the Year. Landscape Structures presented the award to Rep Services' president, J.T. Almon II, during the company's annual sales meeting in Minneapolis, MN. The award recognized Rep Services for their service and dedication to the customer and for their outstanding sales performance in all four of Landscape Structures' key product lines: PlayBooster and PlayShaper Playsystems, Independent Play Components, and Skatewave Skateparks. Rep Services is one of 45 independent sales organizations representing Landscape Structures worldwide.

Rep Services has represented Landscape Structures playground equipment products since 1990, and the company's Skatewave brand skatepark equipment since 2001. Rep Services currently employs 15 people, and covers the entire state of Florida for Landscape Structures. In 2004, Rep Services installed Landscape Structures playground and skatepark equipment at more than 100 schools and city parks across Florida.

Founded in 1971 by Barb and Steve King, Landscape Structures is the leading manufacturer of playground equipment for schools, municipal parks and child care centers.
